We are dedicated to sowing seeds and transforming lives within our nurturing environment so each child can discover their God-given potential, and are looking for like-minded, passionate individuals who want to join us on this journey.

We are a community of learners and life-givers, and there is a sense of family here at APS. We have a safe space where all staff members can share their hearts openly, and know that they are always being considered. We're looking for people not just here to teach or do a job, but to learn. We desire to grow reflective and thoughtful team members who are stirred by a passion for education.

That's where you come in. If what you've read so far has deeply resonated with you, read on.
