

AV TECHNICIAN

ST ANDREW'S CATHEDRAL

AV TECHNICIAN FOR ST ANDREW'S CATHEDRAL

St Andrew's Cathedral (SAC) is an Anglican church in Singapore which runs approximately 15 worship services each week. It is the main Cathedral church of the Anglican Diocese of Singapore and serves as the mother church of 27 parishes. SAC is located near the City Hall MRT Station, in the Central Business District.

The AV Technician works closely with the AV Coordinator and Head of Administration & Operations to support all aspects of audio, visual and lighting for worship services and events.

DUTIES & RESPONSIBILITIES

- Support all aspects of audio, visual and lighting for worship services and events.
- Guide the team of AV volunteers.
- Support AV Coordinator to roster volunteers for audio, visual and live stream needs.
- Live sound: Consistently ensures a quality live mix is achieved during worship services and as needed. Adjusts for specific audio needs of each song/speaker.
- Visuals: Assists in creating slides in ProPresenter and PowerPoint. Assists with adding videos/visuals into the presentation as needed.
- Support AV operations to meet live-stream needs
- Ensures all technical equipment is set up optimally for rehearsals and services.
- Maintains systems and equipment for optimal use.
- Work together with worship leaders and service pastors for full preparedness.
- Ensures audio and video recordings of services are completed and backed up in a timely manner.
- Other Duties: Collaborates with the Media Team on the production of videos e.g. interviews, ministry promotional videos etc
