ABOUT APS

Anglican Preschool Services (APS) is a faith-based preschool operator and an entity of the Anglican Diocese of Singapore. We operate 18 preschools including Little Seeds Preschool, St. Hilda's Kindergarten, St. James' Church Kindergarten, St. Paul's Church Kindergarten, and The Ascension Kindergarten.

We seek to bridge the Church and community through high quality, values-based early childhood education. We are dedicated to sowing seeds and transforming lives within our nurturing environment so each child can discover their God-given potential, and are looking for like-minded, passionate individuals who want to join us on this journey.

We are a community of learners and life-givers, and there is a sense of family here at APS. We have a safe space where all staff members can share their hearts openly, and know that they are always being considered. We're looking for people not just here to teach or do a job, but to learn. We desire to grow reflective and thoughtful team members who are stirred by a passion for education.

That's where you come in. If what you've read so far has deeply resonated with you, read on.

We are looking for a Principal to helm the daily operations of our centres. A Principal who develops and inspires our teaching team to deliver high quality teaching and learning for our children.
